

Good Shepherd Community

Dear friends of ours, we are pleased to welcome you
with the love of our Lord Jesus Christ.

Peace to you!

Once again we want to share with you our joy
and we praise God for His goodness to us.

Blessings of summer camps

Summer is over and we are very happy, since that time was very, very blessed for us. By the grace of God, we were able to hold a few camps. They brought to us a spiritual growth, strengthened our relationship, and most importantly – we were able to acquire new souls for God. At the end of the summer took place another camp in Zalesie. It was held for youth and has already been the last one for this year.

The Holiday of water baptism

After that, at the end of the August, we held the baptism in our church. It has been very nice and bright holiday! To our church have joined two brothers and two sisters. We are rejoicing with the whole church for them, and may our Lord help them to be faithful and obedient to Him in all things and to the very end.

Guests

We also thankful to God for that, He has given us a wonderful appointment with the brothers missionaries. They came to tell us about those nations, where unfortunately, no one has ever heard yet the news about Jesus Christ, and also they were sharing with us about their ministry and the miracles that God grants them. And it's just so amazing! Our God – is Almighty God!

Ministry at the Far East

Besides that, for our joy and to the glory of God, it has taken place the following trip of our brothers to the Far East. We thank God for His mercy in providing this, because we really were placing all our hopes on it. In fact, we continue to serve for the persecuted nations also in our daily prayers. Likewise, we ask God, if there is His will, that He would continue to use us again, through our presence there.

Good Shepherd Community

Serving to children, youth ministry

The Lord had rendered His care also for our children. Throughout the summer, there were held the meetings for them. In this way, children could've spent time together, inviting their friends, to play and to read the Bible. Despite the fact that the holidays were over, in the future children will be able to attend Sunday School. Except that, in September, we held the first in this season youth meeting. We had both guests from the Bible School of Preachers and the youth from local churches of Rivne, and the preacher from Vancouver, pastor Benjamin Portanskiy. We ask God to bless all our children and young people, and to teach them godly life and to grow in the knowledge of God and His will.

Thanksgiving

Already has passed the yearly feast of Thanksgiving. This Holiday has united the church once again and at the same time became a good opportunity to invite unbelievers, so that they would be able to hear the Good News and would have seen at least a small part of church's life.

Presently, looking back and looking forward to what's ahead, we continue to lay our hopes only on God's grace.

Thankfulness is jubilating about previous good deeds of God, and turning to the faith, saying, "Accept the forthcoming good deeds" (John Piper).

Dear friends, we are very grateful for your support.

We invite you to listen our sermons and to find interesting information on our website. May God bless you abundantly!
