

Laboring for the GLORY OF GOD

Dear friends, we are pleased to welcome you again!

How great is our Lord, His glory rises above the heavens,
and how surprising it is, that He allows us to work here on
the earth for His glory. And, by the grace of God and through
your prayers at this month we may continue to do what
He has entrusted to us.

Sports ministry

Thanks a lot to the Lord for the ministry of soccer and floor-ball teams, through which a considerable number of boys and girls attending these sports clubs, and can hear the Word of God. Our guys with a great joy carry this ministry, and God takes care of them. We pray that the Lord could have exposed the young hearts to accept the Gospel.

The English ministry

There is another ministry, through which it is possible to bear witness of Christ, it is the teaching of the English language. At this month, Lord had opened the door for the team of one of the local schools, and by His grace, a lot of children from the middle and senior grades have attended such classes. We also pray that by learning English, children could come to know God.

The church retreat

In addition, God works in the life of our church. Earlier this month, we held a church retreat at the camp ground in Zalesie. During two days we were reflecting on and talking about, what may hinder the growth of the Church and its unity, and how to prevent it. May the Lord preserves all of us to be like-minded and to be united by His Word and by His will only.

Prayer Workshop

At this month has been also held a prayer seminar of the churches from association. As usually, we were fasting, praying to God for our churches, for the salvation and the repentance of people, for the missionaries and persecuted Christians, as well as for our country. We believe that God hears all our prayers and will answer to them.

Good Shepherd Community

Reunion

One more joy for us has been the appointment with new and old friends. At this month, for the first time we were visited by our brother Ernie from the United States, we became friends with him and we hope to meet him more in the future. Besides that, to the delight for all of us, and even surprisingly, God has allowed us to meet with Yuri Morohovets who came to us from the faraway Primorye. Equally surprising were his stories about the life of the small peoples living in the Taiga forests, and also about the ministry to these nations. It is really a great joy to meet with those who sincerely love our Savior and have a desire to serve Him with the whole life. We continue to pray for our friends and their ministry, in order to glorify the name of God before all people and everywhere, and in every language.

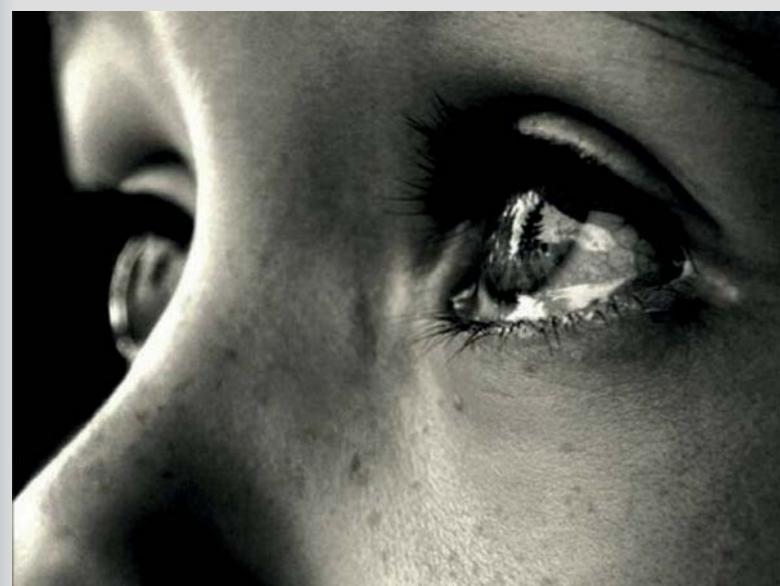

Good Shepherd Community

Ministry to the nations

Friends, we are thankful to you also for your prayers about our brothers and sister who have made a difficult journey to the Far East to one of the most isolated countries in the world. By the grace of God they are present with us again and in their hearts they brought to us a message from all the suffering and persecuted, so that we could pray even more earnestly and zealously. Dear friends, let's unite together in prayer for all the persecuted, prisoners and the suffering Christians and be compassionate to them, as if we are being with them in these difficult troubles. Despite the fact that the evil hearts of the people have set many obstacles to evangelism in this country, God still shows us which way we are to overcome the irresistible – it is by prayer. Likewise, those who were there now are visiting other churches and sharing what they saw, calling all to pray mutually. And there is no such a regime that will be able to resist. Praise our Lord!

Very soon, if the Lord allows, it will take place another trip, this time to India. May the Lord guide us in this too and give another opportunity to glorify Him in that place. We ask for your prayer support.

Preparations for the Conference

It's been pretty quick that the time brought us to the point when we should start our preparation for the missionary conference. We hope this time we will be able to see many ministers and missionaries, who will share with us marvelous works of God and will tell us about their ministry. We trust in God and pray that we can do everything for His glory, both here and throughout the world. Please pray for us. We are sincerely looking forward to see you at this important event.

***Dear brethren, may God is
guarding you. We wish you to
remain faithful to God, and may
He strengthen you in every day to
work for His glory. Amen!***

***«May the glory of the Lord endure
forever; may the Lord rejoice in His
works!» (Ps. 104:31; NIV translation).***
