THE LORD BUILDS UP HIS PEOPLE

Greetings, dear brothers and sisters! It's a great pleasure for us to greet you again, and this time we would like to share with you about how the Lord builds up our church, time and time again showering her with His blessings.

Good Shepherd Community

At this month we were visited by a leading minister in the area of biblical counseling, Constantine Chibizov. He has made a great contribution in our souls with his ministry to us by opening our eyes through the Word on the reality of our walk with God.

Pastoral workshop

A two-day workshop was separately conducted in Zalesye for a pastors and ministers. Brother Constantin helped the participants to see their own problems anew, and along the way he taught how to serve others, helping in difficult circumstances.

Church retreat

Immediately afterwards, we had the church retreat, titled “The urgency of biblical counseling in the church.” God taught us how much we do need each other, and how critical it is not to pass by your brother or sister carelessly, during their hardships. Constantine also shared about the principles of a deep approach to dealing with all kind of problems and about God as the source of all comfort and delight. Praise the Lord! It was a very good seminar!

Youth Ministry

God continues to care for the young generation. God let us have already two youth meetings. It's so exciting that so many young people get together for the meetings and with a keen interest listen to the Word of God, which is viably preached from the pulpit. Please pray that the Lord nurtured them and grew them in Christlikeness.

Baptism

An amazing event took place recently, it was the baptism of 70-year-old man who had persisted for so many years, and finally he broke down and let God after so much suffering in his recent life. He reconciled with God and entered into the covenant with Him. At the same time, this man, now our brother and his wife, had a beautiful opportunity to get this marriage blessed according to the Bible through the prayer over them.
