KEEPING commandments of the KING

Greetings, brothers and sisters!

We are very grateful to God that you are taking part in our lives. Without your support and God's blessings, we could not have done anything.

Blessing of Missionary Conference

The Lord continues to work in our hearts. Missionary Conference left its mark, and the Lord gives us new fields for the Gospel outreach and ministry.

We are very happy for all of our missionary friends who have attended our conference in January. Love for the people set their hearts on fire even more than before and they succeed well with even greater eagerness and greater courage.

Our church has committed itself to support missionaries, and we also remember about each one of them at every worship meeting in your prayers.

Please pray for God's protection and blessing of the new church in Warsaw. Alexander Illyin is the pastor of the church there, he is our friend and the student of School of Biblical preaching. The new church has a great necessity of support, first and foremost it is – prayer.

Yet, we cannot forget about our dear brother Arthur Marandyan, as well as of his team. Currently they work very hard in attempt to bring the Gospel for the Kurdish people. Please pray that the Lord would have blessed them in all that and kept them safe in His hands.

Youth ministry

God has given us another blessing – youth worship service on the topic “Significance of worship.” At this time we had the worship band from “Source of Life” of Zdolbuniv. We had our corporate worship to the Lord in songs and prayers. God has granted an excellent opportunity to reflect on our own values and see how dedicated the worship of everyone is, how sincerely our hearts sing to God.

Ministry to parents of special needs kids

God also gives the opportunity to serve to parents of handicapped children. Once a week, our sisters visit them, holding the Bible study groups with them, as well as supporting and comforting them from the Word of God.

Women's retreat

In early March, we held a retreat for sisters at the campground in Zalesya. God blessed our sisters to have this occasion and spend time in close fellowship with each other, sharing their experiences and serving to one another. Praise to God that sisters from other churches have also participated and even those who do not know Christ yet personally as their Savior.

Family Camp

Right after women's retreat was held a family camp for parents and children. Our pastor Taras Nikolayevich taught on parenting, he gave sound advices for parents to apply that in everyday life. There was also prepared curriculum of the Bible study for kids and various games. Our families are very grateful to God for the precious time together, they continue to pray and make efforts in their upbringing of children to instill love to the Lord and His Word.
